SCOUTING

THE SHOPS with Sally

Of course we don't write quite as well as Lord Byron, but still we like to compose an "Apocalypse to the Fog" this afternoon—that is, if we weren't so busy remembering how cool the fog is. And how heavenly damp? how softly it caressed your hair?

Yes, and how quickly it ruined your fingerwave? Alas! But we have a beauty shop now that is a practically fog-proof wave. Called the "La Cerna" Beauty Shop, and the address is 5 Wellman avenue. They're holding a grand opening soon, with a free gift to every customer.

Monday night, Hillcrest Circle, U. A. O. D., gives what will probably be one of the most exciting parties this year. And the prizes, we've heard, would lure Mother Hubbard herself to party.

The Colonial Cafe holds a re-opening this week, too. Are famous all up and down Peninsula for French and Italian dinners served with the wines. "Dine, Dance and Enjoy Yourself" their cordial invitation reads—and we for one, intend to!

Or should we say "we for one"? No—we still insist that we really only one person. Of course we admit that after a visit to the Daly City Cut Rate Market it's like two, but we can offer a multitude of excuses: Economy—basically, 20c a dozen. Good Food: delicious ready-made salads. With: Wheaties, 10¢ a package. For hot weather meals: sandwiches of spiced ham from Farmer-Meat company. And how a some-clear soup made from City-broiling beef (only 8c a can at Farmers)?

Ice-cold buttermilk from the Creamery will make a delicious accompaniment, and the man will deliver it right to your door.

So for Sunshine this week—for Specials at Lucca Ravioli (Continued on Page 4)

Colonial Cafe Re-opens Saturday

With extensive remodeling and modernizing work completed, the Colonial cafe, 6192 Mission street, will re-open Saturday.

Under the management of Peter and Martha Ciemoli, the Colonial cafe has long been one of the Bay area's most popular cafes. People travel miles to enjoy the Colonial's famous spaghetti dinners.

The Ciemolis have lived in Daly City for 13 years, during which they have made many friends. They are active in Old Glory Post, V. F. W., and auxiliary, and in the Colma Vista Grande Aerie, Fraternal Order of Eagles.

Italian and French dinners, merchants' lunches and a la carte service will be featured after the re-opening night. The remodeled cocktail bar is now one of the best-equipped in this area.

Precision Arrows

Early California Indians made precision arrows, which rotated like modern rifle bullets, by attaching feathers in spiral formation.

Newest Dressing Tables Interpret Personalities

The personality dressing table is the latest decorative wrinkle for smart bedrooms.

Evolved by a clever New York decorator, the idea is one that can be adopted by any woman at little expense. The idea is to make your dressing table an expressive of your own individuality as possible.

If you are the tailored type, then your dressing table should be streamlined and draped with restraint. The new striped chintzes and linens are a wise choice for this type of dressing table. Use a plate glass mirror top in a shade of the new colored glass to match the stripes in your chintz. Keep the mirror over your dressing table either unframed or put it in a modern frame that foregoes schi-chi.

But if you are the very feminine type indulge in all the ruffles and decorative frou-frou you desire. One of the new frames ornamented with bas-relief flowers would be charming. Eyelet embroidery, wide ribbon bows and three or four tiered skirts are all in good taste for this type of table.

Valuable Prizes Offered By Druids

With scores of valuable prizes to be awarded lucky winners, Hillcrest Circle No. 143, U. A. O. D., are making final arrangements for a public whist at 8:45 p. m. sharp at Masonic temple Monday evening, September 25. Experts at giving parties, the Druids expect this whist to be one of the most successful of the season.

Heading the list of outstanding prizes is a substantial cash prize. Other trophies include attractive and useful gifts of all kinds.

Admission prices are nominal, and the public cordially invited.

Chairmen of the affair are Mrs. Laura Pescara, Mrs. Madeline Fellows, and Mrs. Victorine Lombard. Tickets may be purchased from any one of the committee or may be obtained in the hall Monday.

Farm Life

Basic life of southern agriculture are described by farm experts as low farm income, dense farm population and restricted or declining markets for major farm products.

Jack Benny Stars in New Comedy Now Playing at Daly City Theatre

The nation's No. 1 comedian, Jack Benny, accompanied by two grand co-stars in the persons of Dorothy Lamour and Edward Arnold, proved again and conclusively that he is entitled to that rating when the new Paramount comedy with music, "Man About Town," was presented last night at the Daly City theatre.

Jack, who is always at his best when he is playing his natural self, is provided with a role and a story which allow him to move with fluent ease through a series of farcical situations and sparkling wisecracks. Nicely attuned to the efforts of Jack and his co-stars is the work of a large group of featured players including Binnie Barnes, Phil Harris, Betty Grable, Eddie "Rochester" Anderson, E. E. Clive and Matty Malneck and his orchestra.

Speaking of "Rochester," he is sensational in the big harem sequence of the picture, giving at that point one of two laugh-pro-

voking dances which he does in the picture. Also doing a tremendous job in the harem sequence are the world-famed Merriel Abbott dancers who do the most amazing acrobatic dancing ever seen on the screen.

Jack is presented in a role similar to that which he essays on his radio program. He's an impresario about to present a show in London. When Jack's leading lady arrives, accompanied by his orchestra leader, Phil Harris, Jack is chagrined to find that she favors the attentions of Harris.

After they depart to attend a show, Jack turns to his valet, "Rochester," for advice. "Rochester" suggests that Jack make Dorothy jealous by being seen with other girls. Jack makes several unsuccessful attempts to date girls of his own chorus—which incidentally includes twenty gorgeous Petty Girls—then manages to meet Binnie Barnes, a lady of the English nobility. At this point, the hilarious fun goes into high gear. Woven skillfully into the fabric of gags and amorous nonsense are three new hit songs, "Strange Enchantment," "That Sentimental Sandwich," and "Fidgety Joe."

Companion feature on the bill, "Blind Alley," Columbia's searching psychological study of a desperate gunman, ends its run at the Daly City theatre tomorrow. The film stars Chester Morris, Ralph Bellamy and Ann Dvorak.

● Fog: if you're in one when you try to think of something different for dinner, why not get a nice tender rabbit from Castle Garden Grocery?

● And for dessert, a big chocolate cake with thick fudge icing from the Geneva Bakery would be exactly right.

● Another place to display a fingerwave is at the Hilltop Lodge, where the music is good, the food delicious, the crowd fun—and the drinks cold!

● Most poetic ad: Skate fish, deep sea. (Milo's Market). Just to think, even remotely, of the

cool green depths of the sea makes us feel better. Skate fish has a delicate flavor all of its own, too. Don't forget that Milo's has sweet potatoes, 3 lbs. for 10c; tomato soup, 2 cans for 9c; and Manteca beef rolled roast at 22c a pound.

● Flash-light batteries from Edwards Drug Store, 5c each. Bum pun. Say it five times fast. Then relax and eat fresh candy chews, also from Edwards, a whole half pound for eight pennies. (If you over-do it, Edwards will fill the doctor's prescription!)

● We feel we are wandering. To return to the solid realities of life, are you looking for an inexpensive kitchen range with all the modern gadgets, beauty of line, gleaming white and built to last for years? Then see the new Spark gas ranges at Byrne's Radio Store immediately.

● Also solid and gratifying is the substantial drop in prices that eggs have taken this week. They're

only 30c a dozen now at Robertson's Egg store. For really eggs, go to Robertson's.

● Summer weather means cleaning. But no one cleans clothes with gasoline any more like Grandmother used to. Son Cleaners charge so little. ● Send your little boy or girl to Sam's Shoe shop to have shoes repaired. Sam will do a twinkling before a wayward youngster has a chance to be restless. And all work is guaranteed, too.

● Also guaranteed are the specials at Westlake Market week. Grapefruit are only 1 dozen; Lux, 3 bars for 19c. There is lots of parking space near and the fresh foods look especially tempting this week.

● Before the fog comes in to obliterate all the scenery, don't you buy a used car? You'll take that vacation trip? You'll be amazed for how little it may

Lost Books
The Toledo, Ohio, public library has decided that there is no way of telling where lost books will be found. A messenger who spends his time hunting lost, stolen and overdue books found one in a used automobile—it had been turned in with the car.

King and Queen
The initials R. I. after the name of the king of England stand for rex imperator—rex meaning king, and imperator meaning emperor. The initial R. after the name of the queen of England stands for regina, meaning queen.

First Newspaper
Public Occurrences Both Foreign and Domestic, which was published at Boston on September 23, 1689, contained three printed pages and one blank page about 6 by 10 inches in size, was the first newspaper published in the United States.

Ostrich Blocks Traffic
Invading Nairobi, Kenya colony, an ostrich took a stand in the middle of the main street and held up motorists until a woman sounded the siren on her car, at which the bird stepped aside and let the line pass.

Household News

By Eleanor Howe

2 lemons
4 apples
3 cups crushed pineapple
Sugar
Grate rind of one orange and one lemon. Then peel the remaining 3 oranges and the lemon, being careful to remove all of the white part of the skin. Peel and core the apples. Put all of these fruits through the food chopper and then add the grated orange and lemon rind, and the pineapple.

Measure this fruit and to it add an equal amount of sugar.

Bring slowly to the boiling point and cook, stirring frequently, for 1/2 hour. Pour into sterilized jelly glasses and top with paraffin.

Note: Amber Jam is delicious when used as a cake filling or as a topping for ice cream.

Lindbergh Relish.

2 medium heads cabbage
8 large carrots
8 green peppers (or 4 red and 4 green)
12 medium sized onions
1 bunch celery
1 cup grated horseradish

Put all through food chopper. Add 1/2 cup salt and let stand two hours. Drain and mix 3 pints vinegar, 6 cups sugar, 1 tablespoon mustard seed, 1 tablespoon celery seed. Do not cook. Pour into sterilized jars.

Whether your cookie jar is an old-fashioned earthen crock, or a brightly painted tin on the pantry shelf, it needs to be kept filled to satisfy a hungry family. In this column, next week, Eleanor Howe will give you some of her favorite cookie recipes—"Grandmother's Sugar Cookies," and "Butterscotch Brownies" are just two of the delightful recipes you'll find here.

Blackberry Jam.

Wash and drain berries; then pick over and remove the hulls. Take

4 cups of berries
and 2 cups of sugar; let come to a boil, and boil 5 minutes. Add 1 more cup sugar and boil 5 minutes longer. Then add 1 more cup sugar and boil approximately 5 minutes more, or until the jelly stage is reached. Then place in sterilized jelly glasses and seal when cold. Makes 4 small or 2 large tumblers.

Pickled Peaches.
1 peck small peaches
4 tablespoons whole cloves
2 quarts vinegar
6 pounds brown sugar
4 teaspoons mace
1 tablespoon stick cinnamon

Canada's Gold

The value of Canada's gold production in 1938 was equal to 81 per cent of the total value of all metals and 37 per cent of the total value of the entire output of the Canadian mineral industry.

(broken in small pieces)

Peel the peaches and stud with whole cloves. Make a syrup of vinegar, sugar, mace and cinnamon. Add the peaches and boil until tender. Pack in hot sterilized jars; cover with syrup and seal.

Easy to Find Answers in This Book.

How to fry fish without spattering of fat, how to cut grapefruit or oranges into skinless sections, a quick method of peeling tomatoes, how to restore over-whipped cream—suggestions for all of these are found in Eleanor Howe's book "Household Hints." To get your copy now, send 10 cents in coin to "Household Hints," care of Eleanor Howe, 919 North Michigan Avenue, Chicago, Illinois.

Church Customs Change

Feeling that churches must compete with secular attractions, Rev. L. W. Farr has invited members of his Congregational church in Dulwich Hill, Australia, to "laugh and relax" at services. The pastor also has banned gloomy hymns and asked women to come to church hatless, though he admitted that "custom dies hard."

Starling's Food

Starlings have very diverse food habits. More than 80 per cent of the food of nestling starlings is animal matter, largely insects; caterpillars are especially attractive. Other types of animal food relished by these birds are grasshoppers, crickets, spiders and beetles. Almost any insect which can be secured would, therefore, be suitable to feed a young starling. As it grows older it may be fed other types of food such as cherries, apples, corn and garden truck.

Peace Flag

The Carnegie Endowment for International Peace says that the rainbow peace flag was designed by Isabel Anna Beecher-Albert in 1915. It was copyrighted in the United States in 1916 and internationally copyrighted in 1917.

Lowest Point

The lowest point in Switzerland is the shore of Lake Maggiore, which is about 680 feet above sea level, while the bottom of the lake itself is 575 feet below sea level.

Electrocution

Electrocution became the legal method of execution in New York state in 1889.

I've long believed that one reason the art of canning and preserving has been neglected is that many of us have forgotten just how good some of the home canned foods can be. We've forgotten the teasing tang of pickling spices, the mellow aroma of rich fruit butters that used to make the air fragrant at canning time. Maybe we need only to be reminded of all this to restore a lost art to favor!

What pride of accomplishment row upon row of jewel-colored jams, jellies and marmalades can create! And how simple it is to make them in the modern manner! You'll find these tested recipes from my own kitchen as practical as they are delicious. Detailed instructions are included in each recipe; you'll find these general suggestions helpful, too.

For Success in Canning and Preserving.

1. Make only a small amount of the product at one time.
2. Follow the recipe exactly.
3. Be sure that jelly glasses, jars, and covers are sterilized.
4. When they are to be filled with hot food, place the hot glasses or jars on a clean towel wrung out of hot water.
5. Use a small, inexpensive teapot for melting paraffin and pouring it. It eliminates dripping wax all over the glasses and your work table.
6. Store jams, jellies and preserves in a cool, dry place.

Apple Chutney.

2 pounds sour apples
1/2 pound onions (chopped)
1 pound tomatoes (chopped)
Juice 1 lemon (strained)
1 teaspoon salt
1/4 teaspoon garlic salt
1 1/2 tablespoons ginger
1/4 teaspoon red pepper
2 pounds raisins
2 cups vinegar
1 cup brown sugar

Par, core and chop the apples. To them add the remaining ingredients. Simmer gently until tender, then rub through a fine sieve. Seal in sterilized jars.

6 pounds of peaches (peeled)
2 oranges (cut in small pieces)
1 pound seedless raisins
3 pounds sugar
1 pound chopped walnuts
Scald peaches, remove skins, cut into small pieces; discard pits.

Place in a saucepan with small pieces of orange pulp and peel, raisins and sugar. Stir until sugar is dissolved.

Set over a slow flame and cook until thick, stirring occasionally. Add the chopped walnut meats, pour conserve at once into hot sterilized glass jars or glasses.

Amber Jam.
(Makes 5 glasses.)
3 oranges

done. See the auto dealers ad on page 5, and really start planning now.

● It won't be long until summer fruits and vegetables are out of season. Enjoy the tempting array of fresh produce at Granucci and Sons while there is yet time.

● And before winter comes, wouldn't it be a good idea to recover that shabby living room set? It can be done at the Daly City Mattress company for a very small outlay of cash.

● Veal chops are only 20¢ a pound now at Vista Grande. For hot weather, they're ideal, and you can be sure they're tender when you buy them at Vista Grande.

● Our parting word: it's cool at the Daly City theatre. And we think that if anyone could make us stop longing for the fog it would be Jack Benny!

Dutch Prison
One of the most typical and charming of Dutch towns is Gorkum, in the vicinity of which is Loosdrecht castle, interesting to tourists as having been the prison of Hugo Grothius. Allowed the consolation of his wife and his books, she smuggled him out of prison as a box of books.

Privileged Wife
To Mayor O. I. Minter and Police Chief Fred Carr, of Rochester, N. Y., a widow addressed an urgent plea—that they stop her late husband's three former wives from decorating his grave. "I think I should have the privilege," the woman insisted. "He was mine last."

Ax Kills Bear
Harry Goorew, a Saskatchewan woodman, was attacked by a bear he awakened from its winter sleep and killed it with an ax.

Norway's Flood
Norway's greatest disaster occurred in 1219 A. D. when a flood took 30,000 lives.

Long-Live Turtles
The animal which attains the greatest age is probably the giant turtle of the Galapagos islands. There are records of some which have lived in zoological gardens for more than a century, and some individuals have lived to the age of 200.

Snakes Alive
A "snaking" party led by W. E. Rector, science teacher at the Mt. Victory high school, Toledo, Ohio, has added 103 new snakes to Toledo's zoological park reptile house. Nine black rattlesnakes in the collection were brought back alive by a girl member of the party.

Lodging Seasonable
There are 4,500 youth hostels now operating in 50 countries, affording night's lodging to hikers at approximately 25 cents.

Polar Regions
The uninhabited lands of the polar regions have an area greater than all Europe.

Safety Award
Escorted under protest to police headquarters, Arthur Moe, a Los Angeles truck driver, was given a surprise citation for safe driving. A few hours later he collapsed at the wheel of his parked truck, and a doctor, diagnosing nervous excitement, ordered him to bed.

Kings Travel
So splendid is rail equipment in Sweden that when the king of Sweden is on a train he invariably dines in the restaurant car with other passengers. When the king of the Belgians was in Sweden, he shared a third class sleeper with two ordinary passengers.

Luther's Theses
Visitors to Luther's city of Wittenburg in Germany today may see the famous theses that he nailed on the church door in 1517. The present doors are of metal and the text of his protest is deeply inscribed in the metal.
